[#PARAMASTandsWithUkraine](#)

Dear Members,

As a credit union that was created by and for persons who were forced to establish new lives in Canada after losing homes and livelihoods to invading forces from Russia, it is heartbreaking to watch history repeat itself as these forces again attempt to destroy a free and independent nation.

Today people everywhere stand together with Ukrainians in their fight to retain their freedom and autonomy in the face of a hostile and ruthless enemy. Today we are all Ukrainian.

To support those directly affected by this crisis, PARAMA Credit Union has pledged \$10,000 to the Ukraine Humanitarian Appeal. This entity is working with various Ukraine government agencies and is well placed to extend the help that the Ukrainian people need at the immediate moment.

If you would like to donate you may do so at [www.cufoundation.ca](http://www.cufoundation.ca).

Our hearts reach out to the people of Ukraine and all whose lives are affected by this tragic turn of events.

Sincerely,

**Tarmo Lõbu**  
Chief Executive Officer
