

Can I use my cheques or do I need new ones after October 6?

Q: Can I use my old cheques with the previous Member number?

Yes! When you run out and need to have more cheques printed, at that point your new account numbers will be shown on the new batch of cheques you receive.

Q: How do I order new cheques?

If you have run out of your old cheques, we can reorder them for you. They will be shipped directly to your home address.
